The Edit

WELCOME TO THE FIRST EDITION OF *The  Edit*

It is with great excitement that we announce the launch of our weekly Equality, Diversity & Inclusion soundbites of information: **'The Edit'**.

'The Edit' aims to highlight pertinent Equality, Diversity & Inclusion issues & information and keep you up to date with the latest thoughts, views, and trends across the world of EDI.

In this first edition, we thought a good place to start would be to remind you of our Equality, Diversity & Inclusion commitment:

At Warlingham we want our students to feel their school is a place in which they belong, a safe place to be themselves, to be challenged and a place where they can be heard; where their cultures and identities are welcomed, celebrated and fairly represented. Warlingham School seeks to prepare its students to be Global Citizens so it is important to teach them to live peacefully in the wider society where they treat each other with kindness and respect.

How can I use this? *As we get to know our students better over the coming weeks, consider how you can modify seating plans and lesson plans to help all of your students feel like they belong in your classroom.*

See you next week!
