# The EDIt

WELCOME BACK TO *The EDIt*

This week's 'The EDIt' marks the start of Disability History Month (16<sup>th</sup> November – 16<sup>th</sup> December). This year, the theme is 'Disability, Children and Youth' and focusses on the Experience of Disablement amongst children and young people in the past, now and what is needed for the future.

One of the most important factors in bringing about positive change is how we think about impairment and disablement, so I have included a link here to an infographic on: [Valuing Difference: Understanding the need for Disability Equality](#)

*See you next week!*
