# GROW GREEN SKILLS

Join our first **FREE** Kepak Eco Club to learn how the food manufacturing industry is becoming more eco-friendly and earn your first Eco Club badge.

13th October – from 3.30pm to 4.30pm

- Hear from industry experts
- Meet other students who care about the environment
- Find out about green skills careers
- Apply what you've learnt in a fun min-challenge to build a sustainable burger

Plus there's 5 more rewarding and skill-building virtual sessions to look forward to...
