28th March:

- Non School Uniform Day for Lower School

- Sixth Formers: Back to School Dress up!

Please ensure you dress up appropriately for the weather and for a school environment. This includes;

- No tops with offensive/overtly suggestive slogans
- No extremely short skirts/shorts
- No Clothing which is particularly revealing (Crop tops/Bare midriff/strappy vest tops) or which is very tight

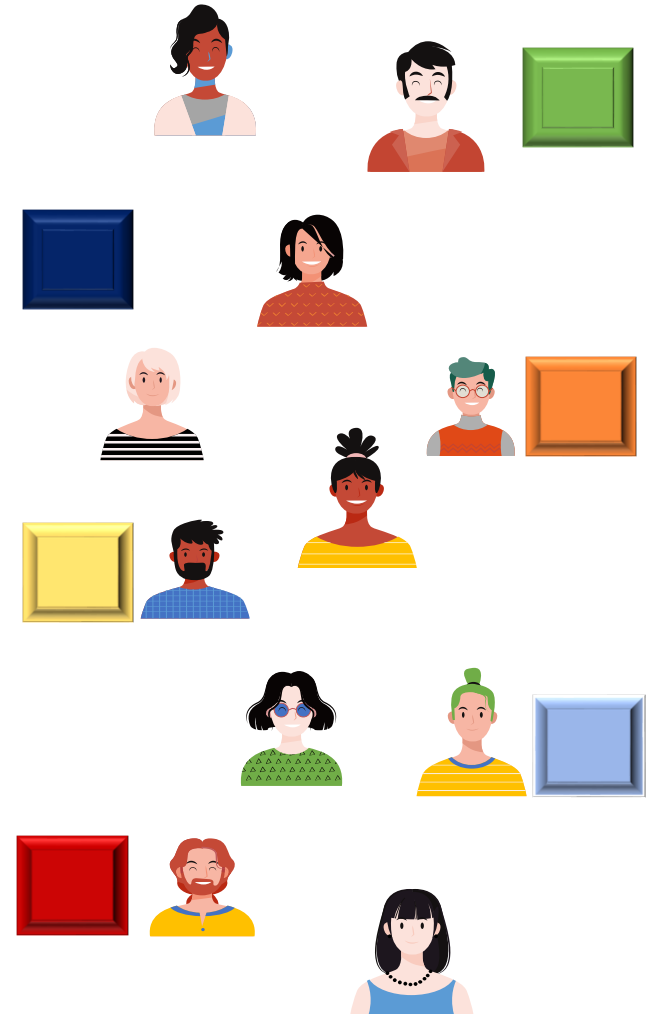

Please note that students should also ensure they follow school expectations as normal on the day including relating to mobile phone use and being prepared for their lessons.

Sixth Form students and staff will be dressing up in 'back to school' attire on the final day of term.

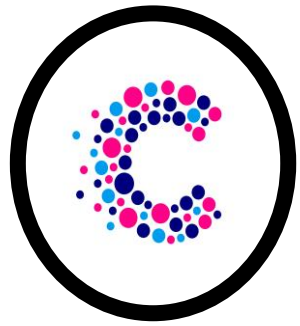

Please note we reserve the right to amend these plans, if necessary, which would be communicated in a timely manner.

How will it run?

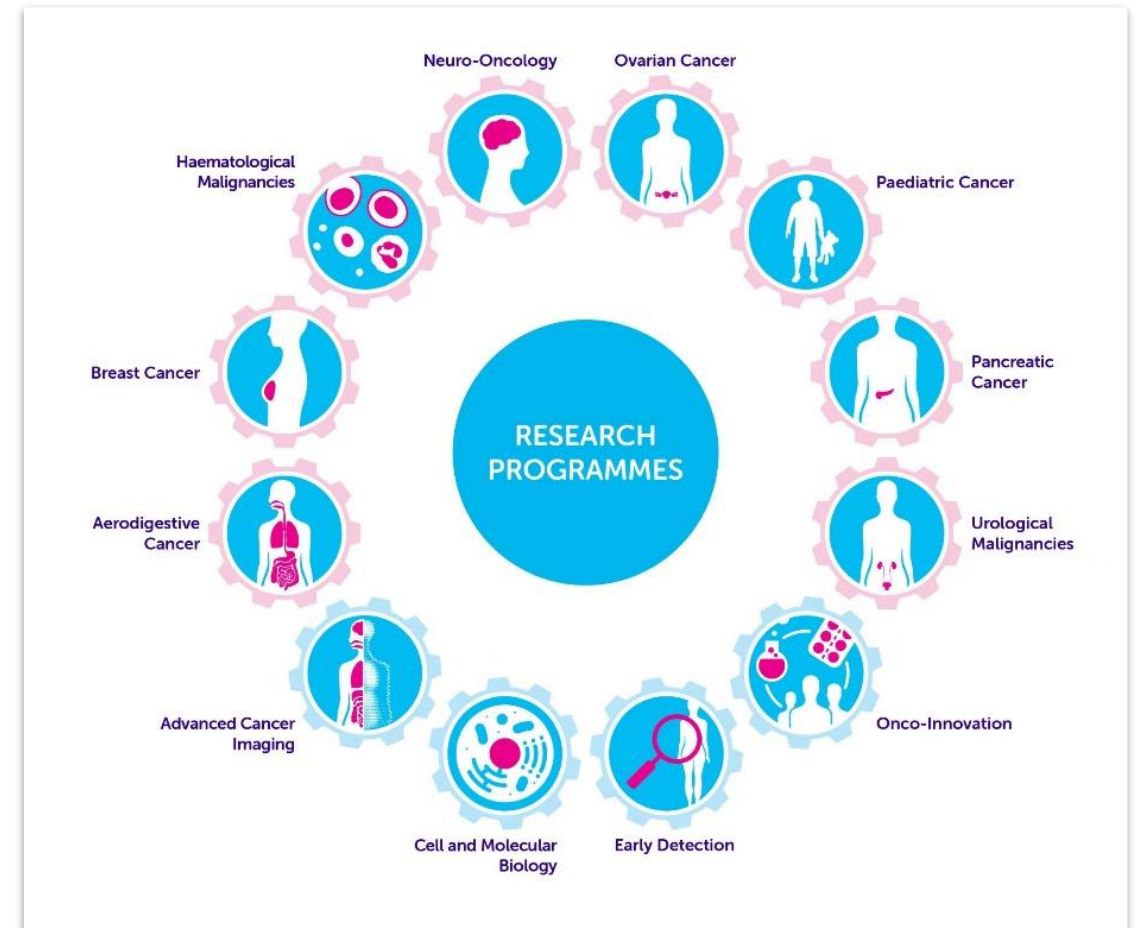

- The Forms within the Sixth Form community will be running a variety of events throughout the week.
- These events are ranging from sales of food such as cake or sweets to activities involving teachers.
- Throughout the week there will always be a couple of events running during break and lunch time so there always something to get involved
