Spring Term

The next term is also looking really exciting and already packed full of activities, including:

- Year 12 Trips to Cern and New York
- Salamanca Trip for Year 10 & 11
- Visit to the Houses of Parliament for Year 12 students

Winter Illness

The school and our community have been impacted by the usual winter illnesses and your child may have had classes last term that were covered by another teacher because of this. We are taking steps to limit the impact of absence on student learning as possible. The UK Health Security Agency has issued some advice to parents on how they can help to ensure that their child doesn't catch and spread illness in school or college. Specifically, the guidance says to:

- emphasise routines of handwashing
- keep your child off school if they are ill and have a temperature
- get a flu jab for your child if they are eligible

You can read the guidance [here](#).

Support for Students

We are also delighted to attach details of our School Counselling Sessions, which includes 121 sessions, lunchtime drop-ins and external support and help for students, parents and carers.

Yours sincerely

Mr P Foster, Headteacher
