

11<sup>th</sup> September 2023

Dear Parents and Carers,

**Autumn Term Enrichment Timetable**

I am writing to you today to share this term's enrichment timetable (please see attached).

At Warlingham, we would like all students' to be a part of an extra-curricular club this year. Year 7s attended an Enrichment Fayre last week and were given the opportunity to sign up to clubs. These are all free clubs and there is no waiting list, students' can just turn up and register with the club. Joining a club allows students' to discover and/or develop talents and interests which extend their learning beyond the classroom. All students' can benefit greatly from participating in enrichment activities as they can often boost students' self-confidence, enable them to connect with others, develop leadership skills, instil self-motivation, and it will look great on college and work experience applications.

We have a range of sporting, academic, and creative enrichment opportunities to choose from. Please discuss the importance of enrichment with your child and encourage them to participate and try something new.

Yours sincerely

Miss M Johnson

Enrichment and DofE Coordinator
