

9<sup>th</sup> February 2024

Dear Parents & Carers

As you are aware 'The 100 Club' was launched at the beginning of this term. The club is a dedicated to acknowledging and rewarding students who score 100 points or above through excellent attendance, being punctual and demonstrating positive behaviour. Qualities that we believe are the foundation for academic success and personal growth.

One key aspect of the 100 Club is that all students began this term with a clean slate. This decision was made after consideration and in response to valuable feedback from parents, students and staff.

The feedback we received highlighted the importance of providing students with a fresh start, acknowledging their potential for growth, improvement and motivation to succeed. We believe that starting with a clean slate aligns with our commitment to fostering a positive and supportive learning environment for all and reflects our positive behaviour culture.

As we are now approaching end of the first half term, we have reviewed all students' scores and we are delighted to see that many students have already successfully achieved 100+ points, making them a proud member of our esteemed 100 Club.

These scores have been achieved from 100% Spring Term attendance record, earning merits and their outstanding punctuality to school and lessons so far this term.

These students are clearly displaying all the correct behaviours and excelling in their attendance, punctuality and behaviour, which will also contribute to their academic success, shape them as individuals and prepare them for a successful future.

Once again, congratulations to these students on this outstanding accomplishment. We look forward to seeing their continued growth and success in the 100 club and school over the next half term.

Yours sincerely

Mr S Strachan

Assistant Headteacher
