

6 September 2018

Dear Parents / Guardians

**Parent Information Evening – How better to support your child in KS4 - Wednesday 12<sup>th</sup> September 2018 at 7pm- main school hall**

You are invited to an Information Evening next Wednesday. The purpose of this meeting is to provide useful information regarding how you can support the school to support your child through KS4. We will cover a range of topics which include:

- Exam feedback 2018 – progress with the new 9-1 GCSEs and what we have learnt
- Making good progress - learning, homework, testing and tracking for exam success in years 10 and 11
- Handling the pressure - supporting your child and the school.
- Planning for future goals - Careers , Work experience & the Warlingham 6<sup>th</sup> Form offer

There will be an opportunity to ask senior members of staff any questions at the end of the session. There is no need to book a seat, please just turn up. We understand that sometimes leaving work and traffic can make it difficult to get to the start of the session. Could I ask that parents fill the far side of the hall on arrival, so that parents arriving later can more easily find a seat, without interrupting the presentations for the people already present? Thank you in advance for your co-operation with this and we look forward to welcoming you next Wednesday.

Yours sincerely
