WELCOME BACK TO  *The EDIt*

In this week's 'The EDIt', I wanted us to reflect upon all the ways in which we can make sure that Warlingham School is inclusive and a place in which all members of the community feel that they belong. The introduction of SLANT, STEPS and move WELL ensures that everyone feels safe and respected. Having high expectations for behaviour and being mindful of the language used by both staff and students is very much at the core of the 'Hidden Curriculum', one which strives to nurture and develop respect, empathy and understanding. To hear a little more about the 'Hidden Curriculum', please watch the following youtube clips ( 3 and 4 mins respectively):

[The Hidden Curriculum | Part 1 of 2: Norms, Values and Procedures – YouTube](#)

[The Hidden Curriculum | Part 2 of 2: Sociological Perspectives - YouTube](#)

### **How can I use this?**

Consider the ways in which the 'Hidden Curriculum' works alongside your subject curriculum. Are there any opportunities for this to be more explicit?

***See you next week!***
