

Dear Parents & Carers

All Year Groups

Today marks an important milestone for our Year 11 and Year 13 students as they begin study leave, with this being the final chapter of our Year 13 students' journey with us.

Although exams and revision sessions will continue after the half-term break, today has provided a valuable opportunity to pause and recognise the end of their time together in school, celebrating friendships, shared memories, and all they have achieved as a year group. We are incredibly proud of everything they have accomplished and excited for what lies ahead. For our Year 11 students, we very much look forward to welcoming you back in September to begin your Sixth Form journey with us, and we are excited to support you as you continue your education here.

For those moving on to new opportunities, we wish you every success in your future pathways. Whatever your next step, we are confident you will continue to make us proud.

Uniform Changes from September 2026

Earlier this week you will have received details of the changes to our uniform policy and expectations. These changes will come into effect from September 2026. These updates follow the latest Department for Education (DfE) statutory guidance on affordability, value for money, and equality of access.

This updated policy has been developed in collaboration with students and parents through our Student Voice and Parent Surveys, alongside the full involvement and approval of the Governing Board. The feedback from all stakeholders has been central in shaping a uniform that is practical, fair, and reflective of our school community. Please ensure that you take some time to read the changes in preparation for September 2026. For further information please use the links below.

Year 12

Aim Higher Days

We are delivering our Aim Higher Sessions to all Year 12 students on Tuesday 2nd June 2026 and Wednesday 3rd June 2026. Students will not be in lessons for these days and will be expected to be in school for the whole day. These sessions are a fantastic opportunity for us to introduce the different options available to them when they leave Warlingham. We have been very fortunate to have secured a number of external speakers to give information on both the University route and the Apprenticeship route. As part of the program, we would like to invite all parents and carers to a talk in the Sixth Form Centre on Wednesday 3rd June 2026 at 5pm, where we can share some of the information with you and provide the opportunity for you to ask any questions.

Registration Activities w/c 1st June

Please find attached the registration activities for next week which outlines what students will be doing in tutor time. It has also been set on satchel for students to review in their own time.

Year 12 will be having their Aim Higher Days on Tuesday 2nd and Wednesday 3rd June. They will need to attend until 3.10 on both days to start thinking about their next steps. **Year 13** will be on study leave and only need to attend school for exams and boosters. Encourage your child to check our Padlet site for additional resources: [Warlingham Sixth Form College \(padlet.com\)](https://www.warlinghamts.co.uk/padlet) and opportunities for their next steps. For any questions, please contact Mr. R. Leay at r.leay@warlinghamtlt.co.uk

We wish you and your family an enjoyable half term break in the sun.

Kind regards

Mr P Foster
