

Subjects library treasure hunt – Student handout

Q1

Find four subject guides that are a **close match** for a student studying the following: Biology, Business and Marketing, Art and Design.

Q2

Find three that are a **tenuous match** for the above example.

Q3

Watch Unifrog's interview with the person studying Events Management, and answer the following:

- a) At which University is this person studying?
- b) What is this person's favourite module on their course?
- c) What are some of the activities this student does as part of their course?

Q4

Watch Unifrog's interview with a Dentistry student.

- a) How long does this student usually spend in the clinic for his third year studies?
- b) What are two of the irreversible treatments third year students can perform on patients?
- c) Orthodontics is one of the specialisms for a Dentistry student. What does this mean?

Q5

Wider reading is an essential part of your preparation for University, and will also give much more weight to your Personal Statement. If you were considering a Law degree, click on the Geek Out link and find:

- a) The name of an Adam Foss' Ted Talk
- b) An interesting Podcast
- c) An important book, including the title and author
