

Our Mantras

Proud to belong

We are Warlingham:
We are one team and a community. We work together to achieve our goals.

Courage, Commitment and Kindness

We live our values:
We make choices informed by our shared values of courage, commitment and kindness.

100%

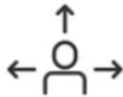

Only our best, No excuses:
We always give 100% because we know that nothing less will do.

It's who I am

Authenticity in Action:
We are motivated to become the best versions of ourselves and be true to that self.

Do the right thing, even when it's difficult

Integrity:
We always choose to do the right thing, even when it is hard. It shows our true character.

Mistakes are opportunities to learn

Mistakes are there to guide you, not define you:
We are not defined by the mistakes we make, but we always learn from them.

Keep going, even when it's hard

Persistence pays off:
We embrace effort and commitment, knowing that consistent hard work leads to success.

Up for a challenge

Be the best we can be:
We strive to be the best by being courageous, taking on challenges and showing integrity.

You deserve disruption free learning

Your education, uninterrupted:
We know that every minute matters and will not accept behaviour which prevents everyone from learning.

Think of others' feelings before you act

We are respectful, considerate and empathetic:
We treat others with genuine mutual respect, show empathy and build positive relationships so everyone succeeds

Warm, Welcoming and Friendly

We make everyone feel they belong:
We make everyone feel safe, valued and respected by being warm, welcoming and friendly.

First time, Every time

We follow instructions:
Our teachers and staff are driven by purpose. We follow their instructions first time, every time so all are safe, able to learn and succeed.
