## KS4 Press Release

Warlingham School & Sixth Form College would like to congratulate all our hard-working students on the receipt their GCSE results this year.

Headteacher, Paul Foster, said, “This cohort of students have had to manage a number of disruptive elements in their journey to being the first cohort of students to sit unmodified full formal GCSE examinations since the pandemic. They deserve real credit for their hard work, resilience and commitment and should feel proud of their academic achievements. I look forward to seeing them build on their success in their Key Stage 5 studies.”

Senior Deputy Headteacher, Paul Kinder, said, "I would like to congratulate each and every student on their achievements today. I hope they are proud of themselves and have learnt the importance of always trying their best and never giving up on whatever they choose to do in life. It was lovely to witness first-hand the excitement and relief on the faces of so many students as they opened their envelopes today. I wish them all every success in whatever next steps they have chosen”.

We look forward to welcoming the vast majority of them into Warlingham Sixth Form College in September to continue their learning journey with us and we wish everyone in the year group all the very best for the future. We would also like to acknowledge and thank the teachers, tutors and support staff for all of their support throughout the past two years.

## KS5 Press Release

Warlingham Sixth Form College would like to congratulate all our hard-working students on the receipt of their Key Stage 5 results this year, with most of our students achieving their first-choice university places or exciting apprenticeships. In particular, we are delighted with some excellent results in A Level Business (A\*-B 47%), A Level Film Studies (A\*-B 45%), A Level Geography (A\*-B 53%), A level History (A\*/A 30%), A Level Maths (A\*/A 50%), Further Maths (A\*-B 75%), BTEC Music (Merit+ 100%), A Level Physics (A\*-B 50%), Politics (A\*-A 33%), and BTEC Sport (42% Distinction\*). Across all subjects, there have been some fantastic results, and we are exceptionally proud of all our students.

We are immensely proud of the high attainment of many of our students, along with the hard work and resilience they have shown throughout their time at Warlingham, and we are delighted that so many of the students achieved the grades they need to pursue their next steps, especially in light of the disruption to their education that this cohort has experienced. Headteacher, Paul Foster said, "We wish all our Year 13 cohort every success in their next steps and the bright futures that we know they have ahead of them. They have undoubtedly left their mark on our school, and we are hugely proud of all their achievements.

The students and our staff have worked tirelessly to ensure students are all able to progress onto further education and study or into apprenticeships and employment.” Head of College, Rupen Chotai, said: “I would like to congratulate the students on their excellent results. These are the culmination of a lot of hard work, dedication and resilience. Throughout their journey, students have maintained a positive outlook and a growth mindset. In addition to their academic achievements, I have also been impressed by their contributions to the wider school community. They have worked hard to develop their leadership skills and have left a positive impact on the school and college. I wish them well for their next steps. Many are off to exciting destinations including University, highly competitive Apprenticeship programmes and the World of Work, and we look forward to hearing of their continued success.”

Thanks to their excellent results, many of our college students are now looking forward to reading a variety of subjects at a number of the top universities, including:

- History at Kings College London
- English and History at Queen Mary University of London
- Ancient History at UCL Archaeology and Anthropology at UCL
- Psychology at University of Nottingham
- History and Politics at Queens University, Belfast
- Geography, Sustainable Development and Climate Change at University of Sussex
- Aerospace Engineering (with Placement) City
- Cyber Security & Digital Forensics at Kingston University
- Law at University of Sussex
- Primary Education 5-11 with QTS at University of Brighton
- Education with Psychology with professional placement at University of Bath
- Sociology at University of Surrey
- Business Management and Entrepreneurship at Kingston University
- Accounting and Finance (with a professional placement year) at University of Sussex
- Creative Writing at Kingston University
- Business Management at University of Essex
- Drama, Theatre and Performance at University of Sussex
- Music Technology at Kingston University
- Civil Engineering at University of Surrey
- Pharmacy at University of Bath
- Psychology at University of Essex
- Forensic Science at Kingston University

Warlingham students are increasingly securing excellent apprenticeship placements, including Digital Marketing, Finance and Quantity Surveying, and some of our students are taking up employment in areas such as Marketing and Communications, Hairdressing, Teaching Assistant, Personal Trainer, and Nutrition.
