Key Stage 4 Press Release

Headteacher, Paul Foster, said, “After such a disrupted end of primary and start to secondary school, this group of students has had to manage a number of challenges in their journey to sitting their GCSE examinations. They deserve real credit for their hard work, resilience and commitment and should feel very proud of their academic achievements. I look forward to seeing them build on their success in their Key Stage 5 studies. I would also like to express my gratitude to our dedicated staff, whose unwavering support and guidance have been instrumental in our students’ success.” Senior Deputy Headteacher, Paul Kinder, said, "I would like to extend my heartfelt congratulations to all our Year 11 students on their GCSE results. Your achievements are a testament to your hard work and dedication, and you should be incredibly proud of yourselves. Additionally, a special thank you to the parents and carers for their continuous encouragement and support throughout this journey. Remember, this is just the beginning, and I am confident that you will continue to excel and achieve great things in the future.” We look forward to welcoming many of them into Warlingham Sixth Form College in September to continue their learning journey with us and we wish everyone in the year group all the very best for the future. We would also like to acknowledge and thank the teachers, tutors and support staff for all their support throughout the past two years.
