Dear Parent/Carer,

## **Year 12 Tracking 2**

You will shortly be receiving access to the tracking for Year 12 via the Arbor app. This will be found under the “Report Card” section under Student Profile. The report will consist of the following:

### **Final Target Grade**

This is currently unavailable as we are awaiting on data from the Department of Education. We hope that this will be available for the next set of data in the summer term.

### **Predicted Grade**

Teachers have provided a predicted grade that they believe students can achieve at end of the course. This grade should be ambitious and reflect the current working level of the student.

### **Current Grade**

This is the grade students achieved in their recent assessment.

### **Attitude to learning**

Grades for classwork, behaviour and home learning will be graded as before with E – Excellent, G – Good, R – Requires improvement and U – Unacceptable.

### **Behaviour points**

This is the number of negative points students have accumulated so far this academic year. Points are accumulated for reasons such as behaviour issues, not completing homework etc.

### **Merit points**

This is the number of positive points students have accumulated so far this academic year. Points are awarded for courage, commitment, kindness, leadership etc.

### **Attendance**

This is a percentage score based on the number of days a student has attended school. Please note that the school target for attendance is 96%. Attendance below 90% is classed as being persistently absent. School attendance is crucial for several reasons. Firstly, attending school ensures that students have access to essential knowledge and educational opportunities, equipping them with the skills and information needed to succeed in life. Regular attendance also fosters a sense of discipline and responsibility, teaching students the importance of punctuality and commitment.

**Tandridge Learning Trust**

Moreover, school attendance promotes social interaction, allowing students to build friendships, develop communication skills, and engage in collaborative learning experiences that prepare them for future interactions in the workforce and society. Therefore, attendance should be above 96% wherever possible.

Please feel free to contact me if you have any queries regarding this tracking.

Please note that the Year 12 Parents Evening will be held on Tuesday 9<sup>th</sup> June 2026.

Kindest regards

Mr Tucker
