## The Warlingham Week

Dear Parents & Carers

What a busy week it's been at Warlingham School! We've had the absolute pleasure of meeting our new Year 7 students for 2 induction days. The energy, curiosity, and enthusiasm they brought was truly inspiring. These days saw them getting to know each other during taster activities, making business plans, and sharing stories about their interests and ambitions. It is clear that our incoming cohort is full of promise. We've seen confident smiles, thoughtful questions and a genuine eagerness to step into this new chapter—exactly the kind of spirit that makes our school community so special. We also invited parents and carers to the school on Wednesday evening to meet members of the school team including their children's form tutor and Deputy Head and Head of Year, in preparation for them joining our school community in September.

## All Year Groups

### Can you help support Warlstock 3?

One of our key events that brings the school and local community together is Warlstock, but we need your help! We would love your support to make the Warlstock Music Festival at our school a smashing success! Whether you can help with setting up or preparing—erecting gazebos, putting up signs, preparing Sangria or Pimms, selling during the day at the bar or BBQ, stewarding the event, checking in and selling tickets, or clearing up afterwards, we'd be incredibly grateful for any time you can spare, even just an hour. It's going to be a fantastic community event full of live bands, family fun, and plenty of opportunities to connect with friends, neighbours, and local families. Your help not only makes the festival run smoothly—it directly raises funds to support our children and enhance their school experience. Come along, get involved, and be part of something special! If you wish to help, no matter how much time you can give, please email [chair@warlinghampta.co.uk](mailto:chair@warlinghampta.co.uk) to sign up and share how you'd like to be involved.

Tandridge Learning Trust

We believe this adjustment will make the hottest days more bearable while students are on site. We will monitor the weather and if the forecast/conditions change, we will revert to the usual expectations, shirts tucked in and ties worn. Blazers remain optional for the remainder of the Summer Term. Any adjustments will be communicated to parents and carers. Thank you for your understanding and cooperation in support of this.

### Registration Activities w/c 30<sup>th</sup> June

Year 12 students will participating in their own Sports Day this week and continuing their next steps research.

...and finally, this evening, many members of the school team will join in celebration with our Year 11 students at their Prom. This special event marks a culmination of years of hard work, friendships forged and memories made. It stands as a formal celebration of their journey through school, offering one of the last moments for the whole cohort to come together and reflect on how far they've come and for them to also look forward with hope and anticipation at what lies ahead, a transition into the next chapter, filled with potential and opportunity.

Kind regards
