The Warlingham Week

Dear Parents & Carers

All year groups

A huge thank you for supporting the PTA and school through Easyfundraising! Thanks to your generosity and involvement, we've raised over £1,200, which is absolutely amazing. Every contribution makes a real difference, helping us to provide valuable resources and opportunities for our students. We truly appreciate your continued support. If you haven't signed up yet and would like to help, it's easy and completely free—just shop online as usual, and a donation is made at no extra cost to you! The PTA will use these funds towards changing some of the interactive whiteboards used in classrooms, across the school to enhance students learning journey.

The next PTA meeting will be held on the 8th May, all are welcome. Further details will be shared nearer the time.

Warlingham Careers Week

We are excited to announce Warlingham Careers Week, taking place from **3rd – 7th March**, coinciding with **National Careers Week**. Throughout the week, all students will engage in special activities across their subjects, exploring career pathways both in class and through home learning. Additional resources from our careers team will be available on **Satchel**.

A key highlight will be on **Tuesday, 4th March**, when all students will hear from inspiring employers, including a physiotherapist, an entrepreneur, a Head of Information Security, and a Director of Technology at a charity, either virtually or in person.

To conclude the week, we are hosting our **4th annual Futures First Careers Fair**, open to students in **Years 10-13**. This fantastic event will feature exhibitors from diverse industries, including the **Army, NHS, construction, electric vehicle technology, Crystal Palace for Life Foundation, British Red Cross**, and many more.

We encourage students to make the most of this valuable opportunity to explore potential career paths. If you have any questions, please contact Laura Langley – Careers Leader, on l.langley@warlinghamtl.co.uk

Penalty Notices – Surrey County Council

Please review the attached notice, which we are required to share with parents and carers. It outlines the regulations regarding the issuance of penalty notices for addressing poor school attendance.

Lost property

We have accumulated a large amount of lost property during this half term, including many coats, bags, shoes and PE kits. Please remind your child to check the Lost Property cupboard in Student Services if they have misplaced anything. We would like to reunite as many items as possible with their rightful owner, but any items which remain unclaimed by 28th February 2025 will be cleared. As a reminder, it's always advisable to ensure your child's uniform items are fully named.

Uniform

Please ensure you take the time to check uniform over the holiday period, replacing missing items, where appropriate this will support students returning to school, dressed smartly and in accordance with our uniform policy. <https://www.warlinghamtl.co.uk/attachments/download.asp?file=183&type=pdf>

The weather is still very cold at times and we would encourage students to wear a jumper and a warm coat to keep warm particularly as break and lunchtimes are spent outside of the building. However, we would also like to remind you that students must not wear hoodies or other jumpers/sweatshirts in replacement of the school jumper or over blazers to keep warm.

These items will be confiscated if worn, so please ensure your child has the correct warm clothing for school. We will be completing a uniform check of all students upon our return from half-term so please ensure your child has the correct uniform.

We have a large amount of preloved uniform available from our Student Services Team who you can contact via studentservices@warlinghamtl.co.uk.

Punctuality

I would like to remind you that students should arrive at school via the single point of entry, ready to be engaged during their tutor time at **8.35am**. Arrival after this time, will be registered as being late and sanctioned accordingly.

Please reinforce the importance of attendance and punctuality to both school and lessons with your child over the break to maximise their learning and progress at school.

Please also reinforce the need for your child/children to be considerate and careful on the way to and from school, avoid being distracted by mobile phones when crossing the roads.

We would like to thank parents/carers that are avoiding parking and dropping off at places with double yellow lines or zig zags, your support is greatly appreciated.
