

15th May 2026

The Warlingham Week

Dear Parents & Carers

All Year Groups

I would like to begin by congratulating our Year 11 and Year 13 students for the calm, focused, and mature way they have entered the exam season. Their positive attitude toward both the exams and their preparation has been clear to see — demonstrating real commitment, resilience, and a strong sense of purpose.

We've been especially impressed by how students are supporting one another, creating a genuine sense of community and encouragement during what can be a demanding period. It has been wonderful to witness, and we are incredibly proud of how they have risen to the challenge so far.

We also want to extend our thanks to families for the support you are providing at home. We know this can be a high-pressure time, and we truly appreciate the vital role you play in helping students balance their revision with their wellbeing.

Science Club

We're delighted to share that a volunteer from St John Ambulance will be visiting school on **Tuesday 20th May** to deliver first aid training to students attending our after-school Science Club. This is a fantastic opportunity for our budding scientists to learn valuable first aid skills and gain confidence in how to respond in an emergency situation. We are very excited to be able to offer this experience to our students.

St John Ambulance is England's leading first aid charity, dedicated to saving lives through first aid training, providing medical support at public events and supporting the NHS.

We are extremely grateful to the volunteers for giving their time and expertise free of charge. If you would like to make a small donation as a thank you, contributions can be made via Arbor (Shop) and would be very much appreciated. Thank you for your support.

National Thank a Teacher Day

I am pleased to advise you that this year's National Thank a Teacher Day will take place on **Wednesday 17th June 2026**. The 'Thank a Teacher' campaign recognises ALL staff working in UK early years, schools and colleges; school leaders, teachers, teaching assistants, and all support staff such as lunchtime supervisors, caretakers and cleaners.

If you would like to send a message/card to a member of staff at the school, please use the link below.

Address: Tithepit Shaw Lane, Warlingham, Surrey, CR6 9YB
Telephone: 01883 624067 Email: Info@WarlinghamTLT.co.uk
Website: www.WarlinghamTLT.co.uk

Tandridge Learning Trust

Pre-loved Uniform

We would really appreciate any donations of pre-loved school uniform to Student Services. If your child has outgrown any items or no longer needs them, and they're still in good condition, please consider donating. We're currently very low on stock and would be extremely grateful for any contributions. Donations can be brought into main reception, thank you in advance of your continued support.

Year 11

We would like to remind parents & carers that study leave will begin on Friday 22 May. Until then, all students are expected to remain in school for the full day.

We have structured the school day to ensure students receive the right support at the right time. This includes targeted booster sessions before each exam, delivered by subject specialists, and structured revision sessions led by students' own teachers. This approach provides consistency, routine, and expert guidance, all of which support both academic performance and wellbeing during a high-pressure period.

For these reasons, we cannot authorise absence for home revision or early departure unless supported by medical evidence for a pre-arranged appointment. If your child is finding this period particularly challenging, please contact their tutor so we can offer additional support.

Year 11 & 13

Celebration Day

Thank you to all the parents & carers that have kindly donated towards the ice cream van as part of the students Celebration Day on 22nd May. There is still time to contribute if you are able to via Arbor (Shop). All funds raised will go directly to funding this for our students.

Year 12

Aim Higher Sessions

We are delivering our Aim Higher Sessions to all Year 12 students on Tuesday 2nd June 2026 and Wednesday 3rd June 2026. Students will not be in lessons for these days and will be expected to be in school for the whole day. These sessions are a fantastic opportunity for us to introduce the different options available to them when they leave Warlingham.

We have been very fortunate to have secured a number of external speakers to give information on both the University route and the Apprenticeship route. As part of the program, we would like to invite all parents and carers to a talk in the Sixth Form Centre on Wednesday 3rd June 2026 at 5pm, where we can share some of the information with you and provide the opportunity for you to ask any questions.

Years 12 & 13

Registration Activities w/c 11th May

Please find attached the registration activities for next week which outlines what students will be doing in tutor time. It has also been set on satchel for students to review in their own time.

Year 12 will be researching their next steps whilst **Year 13** have their Leavers' Day on **Friday 22nd May from 1.30pm**. Encourage your child to check our Padlet site for additional resources: [Warlingham Sixth Form College \(padlet.com\)](https://www.warlinghamtl.co.uk/padlet) and opportunities for their next steps. For any questions, please contact Mr. R. Leay at r.leay@warlinghamtl.co.uk

We wish you an enjoyable weekend.

Kind regards
