The Warlingham Week

Dear Parents & Carers

All Year Groups

Celebrating a Wonderful Open Event

I am delighted to share the success of Wednesday's Main School Open Event. It was a truly special evening as we welcomed hundreds of parents and prospective students into our school community. The atmosphere was buzzing with curiosity, excitement, and pride in everything Warlingham School has to offer.

Our students were simply wonderful, contributing enthusiastically throughout the evening and making every visitor feel welcome. A special congratulations to our new Year 7s, who were amazing, considering they have only been at the school for a few weeks, they demonstrated remarkable confidence, resilience, and maturity. Their contribution, alongside that of our older students, truly highlighted the incredible spirit of our school community.

We are so proud of everyone involved. Whether welcoming visitors, guiding prospective families, supporting students, or working tirelessly behind the scenes, your dedication and hard work made the event truly memorable and showcased the very best of our school community. To all our staff—including teaching, support, and site teams—your commitment behind the scenes ensured the event ran seamlessly. Thank you for generously giving your time, energy, and enthusiasm to make the evening such a success.

Thank you to everyone who contributed to making the evening such a wonderful celebration of our community spirit.

Sixth Form Open Event

Please be reminded that the Sixth Form Open Event is on Wednesday 1st October. The school will close at the earlier time of 1.15pm. On Thursday 2nd October the school gates will open at the slightly later time of 9.15am with registration at 9.35am.

Sponsored Walk – Friday 17th October 2025

Our whole school will take part in a 14km Sponsored Walk (with some students and staff also swimming) on Friday 17th October. This annual event celebrates our community spirit and raises funds that go directly back into the school. This year's target is £15,000 to help part-fund a new Computing suite and student toilets. If every student raises just £15, we'll exceed our goal. A letter with full details has already been sent home which you can access [here](#) and the Sponsorship Form [here](#). Thank you for supporting this important event.

Year 7

From Monday 29th September Year 7 students will have a designated indoor social space in A3 before school at break and lunch time, giving our new Year 7s a separate, supervised place to socialise relax during these unstructured times of the school day.
