

Dear Students, Parents and Carers,

Home Learning - help with motivation, time-management and independent study skills.

Thank you all for your continued efforts with home learning during this difficult period of school closure. We understand learning without normal lessons presents different challenges and we appreciate the feedback you have been giving the school. We are currently looking into developing some additional support and one opportunity has been provided by our partner Elevate Education who support our Yr11 Revision Programme. As a partner to the school Elevate are providing a free 3-part webinar for all of our families looking at motivation, time management and independent study skills by way of supporting our schools and parents during COVID-19. The details of the 1st event are as follows:

Event Title: How to help your child increase and sustain their motivation

Date: Wednesday 24th June

Time: 6:00 – 7:00 pm

Cost: Free

Sign-up Link: <https://get.elevatecoaching.info/uk/webinar-signup-24-june/>

We hope you find this advice practical and helpful in supporting home learning for your children.

Kind Regards

Mr Day
Joint Head of School
