The Warlingham Week

Dear Parents & Carers

All Year Groups

Thank you for your support and understanding during what has been a difficult and unsettling week for our school community, following the car incident outside of the school on Tuesday morning. We are incredibly grateful for the kindness and support shown by parents, with many thoughtful messages received, which have been shared with staff and have meant a great deal to everyone involved.

We were deeply moved by the response from colleagues and members of the local community, who ran to help those directly involved, supported with first aid and immediate care, whilst waiting for emergency services and assisted in directing pedestrians and vehicles to keep everyone safe. The willingness of so many to step forward and offer help in such a calm, compassionate, and selfless way was truly remarkable. Staff from across the school worked together with calmness, professionalism, and compassion, supporting not only our students but also colleagues who were involved, ensuring they felt cared for and supported. Our priority has remained the safety, wellbeing, and reassurance of all members of our community, and we will continue to provide support as needed. We send our best wishes to those involved for a speedy and full recovery, and thank you once again for your continued support.

RAG Week

Thank you so, so much for all your support of our RAG week. I know that it will mean a great deal to our chosen charities – Great Ormond Street Hospital and the Lily Foundation. It has been a really successful week so far and we look forward to sharing some images and clips with you via our Instagram page ([warlinghamsixthformcollege](#)), after the Easter break – please do give us a follow in anticipation!

There have been lots of exciting events including

Leavers & Joiners

We would like to thank Mr Knight, who is leaving us at the end of this term to pursue new opportunities in teaching. He has been a dedicated and caring teacher and tutor, building strong relationships with his tutees, who will miss him greatly. He has made a valued contribution to our school community, and we wish him every success in the next stage of his career. Mr Johnston will be joining us to pick up Mr Knight's early in the Summer Term and we are delighted to welcome him to Warlingham School & Sixth Form College.

Year 12 & 13

Registration Activities w/c 13th April

Please find attached the registration activities for next week which outlines what students will be doing in tutor time. It has also been set on satchel for students to review in their own time.

Year 12 will be on study leave and so only need to come into school for their exams whilst **Year 13** should be preparing for their real exams (5 weeks to go until they start!). Encourage your child to check our Padlet site for additional resources: [Warlingham Sixth Form College \(padlet.com\)](http://Warlingham Sixth Form College (padlet.com)) and opportunities for their next steps. For any questions, please contact Mr. R. Leay at

And finally...

I look forward to the next term and the opportunity to continue to welcome parents and carers to a range of school events. Thank you to those parents that have taken the time to attend one of my parent forums this term to share your views and suggestions on a variety of subjects, supported our performing arts events, contacted the school with feedback and as always, for your continued support of our students and the school. I wish you and your families a restful and enjoyable Easter break, and we look forward to welcoming students back on Monday 13th April.

Kind regards

Mr P Foster
