## The Warlingham Week

Dear Parents & Carers

### All Year Groups

This time of the school year is always particularly busy and exciting, as we welcome new students through induction events and celebrate those completing their journeys in Year 11 and Year 13. Staff and students are also involved in a wide range of activities, including this weekend's Silver Duke of Edinburgh Award expedition, end-of-year performances, praise and reward events, assemblies, sports days, Warlstock, Activities Week, and work experience. It's a vibrant and memorable period that both staff and students truly value and this year is no exception.

### Parents Forum

This year's final Parents Forum will be on 14<sup>th</sup> July 2025 in the main hall, between 5.15pm – 6pm. If you would like to attend and have a question that you would like answered, or if you are unable to attend, but still have a question, please complete the link below.

I look forward to seeing you there.

### Digital camera donations

Could you please consider supporting our school by contributing an unused DSLR camera, complete with its charger that's still in good working order? We **really need help** to provide our GCSE and A Level students with quality equipment for photography assignments and creative projects. If you're able to help, please kindly bring your donation to reception at your convenience. Thank you sincerely for your generosity and support, it truly empowers our students to grow and excel.

### Can you help support Warlstock 3?

We would love your support to make the Warlstock Music Festival at our school a smashing success! Whether you can help with setting up or preparing—erecting gazebos, putting up signs, preparing Sangria or Pimms, selling during the day at the bar or BBQ, stewarding the event, checking in and selling tickets, or clearing up afterwards, we'd be incredibly grateful for any time you can spare, even just an hour. It's going to be a fantastic community event full of live bands, family fun, and plenty of opportunities to connect with friends, neighbours, and local families. Your help not only makes the festival run smoothly—it directly raises funds to support our children and enhance their school experience. Come along, get involved, and be part of something special! If you wish to help, no matter how much time you can give, please use the link below to detail how and when you could help.

## **Interventions**

Registration interventions for this academic year have now finished. If your child has been attending an intervention at this time, you will receive correspondence in the next academic year, as appropriate.

### **Year 11**

Last Friday's Year 11 prom was truly spectacular, students enjoyed a beautiful meal and danced the night away. Adding to the magic, a team of professional photographers captured every moment from portraits to glamorous group shots, photos they will treasure for years. It was a polished, memorable celebration that perfectly honoured everyone's hard work, friendships, and spirit. We would like to thank all the staff involved in the organisation and set up of this wonderful evening.

The photos will be available within the next week or so and parents/carers will be forwarded details of how to view and order.

### **Year 12**

The sixth form team were really pleased to welcome students from both Warlingham Year 11 and from a variety of other schools, to our Yr 11 into 12 induction days. The days were very busy, but students were all very appreciative and all made a great first impression as future Sixth Formers. We were particularly pleased with their engagement especially as these were the two hottest days of the year so far!

A huge well done to all those who attended and we wish them all the best for their results and look forward to seeing them again for their in-person enrolment on 21<sup>st</sup> August 2025.

### **Year 13**

We were really pleased to host the Year 13 students at their Prom on Thursday evening at Woldingham golf club. The event was a huge success and a wonderful way to mark the end of their journey with us. We would like to thank, Jess Blakeney and her formidable prom committee, ably supported by Mrs Beadle and Mrs Howe. We look forward to seeing all the students on results day.

and finally... thank you for your ongoing support of the school and your children and we wish you an enjoyable weekend.

Kind regards
