

8th October 2026

Dear Parent/Carer,

The years leading up to examinations and next-step decisions can bring both opportunities and challenges for young people. During this important period, strong communication and collaboration between home and school can help ensure that students feel supported, confident and ready to make the most of every opportunity available to them.

To help strengthen this partnership, we would like to invite you to our **Families' Information Evening on Thursday 15 October from 5.00pm to 6.30pm.**

The evening will provide practical guidance on a range of topics relevant to students in **Years 10, 11, 12 and 13**, as well as opportunities to ask questions, seek advice and connect with school staff.

Families will be able to sign up for **up to three sessions** from the following programme:

- How to revise and how to support your child with revision
- Guidance for completing independent study and homework
- Families Forum: an opportunity to ask questions and share feedback
- How to tackle reading and extended writing
- Understanding reports and Arbor information
- An introduction to our behaviour systems
- Managing exam stress
- UCAS and apprenticeship guidance
- Work experience and careers support
- How to manage concerns about external influences on your child
- SEND drop-in session

We know that no single family has all the answers, and neither does any school. The best outcomes are achieved when we work together around the young people in our care. We hope this evening will provide useful information, practical ideas and an opportunity to build even stronger relationships between home and school.

Please note that if uptake for particular sessions is low, some sessions may be combined or rescheduled to ensure that we can make the best use of the expertise available on the evening.

Headteacher: Mr P Foster BA (Hons) MA NPQH FCCT
Address: Tithepit Shaw Lane, Warlingham, Surrey, CR6 9YB
