

26<sup>th</sup> June 2026

Dear Parents & Carers,

Following this week's PE kit pilot with Years 9 and 10, we are pleased to confirm that this will now continue for these year groups.

In addition, we will now be introducing this as a new trial for students in Years 7 and 8.

From next week, students in Years 7–10 may wear their full school PE kit all day on the days they have PE lessons only. *(This does not include GCSE PE or Sports Science lessons.)*

For Years 7 and 8, this is the first time this approach is being trialled. For Years 9 and 10, this forms part of the continued pilot.

This pilot is designed to help us assess whether this change:

- saves lesson time
- supports a smoother school day

**Important reminders:**

- Students must wear the correct school PE kit
- Students should only wear PE kit on days when they have PE
- Students wearing incorrect kit, or wearing PE kit on non-PE days, may be placed in RESET or asked to go home to change

You can find details of our PE kit for the 2025/2026 academic year below:

[E2159EAC51B9E2D0EE3889DE73D9BDB5.pdf](#)

Staff will continue to remind students each morning and monitor correct use of the pilot.

As this is an ongoing pilot, we will keep the process under review and provide further updates in due course.

We appreciate your support in ensuring all students are correctly dressed and ready to participate safely in PE lessons.

Kind regards

Mr S Tipton

Head of PE
