The Warlingham Week

Dear Parents & Carers

It has been a pleasure to welcome your children back to school this term. Their enthusiasm and positive energy have already impacted in classrooms and corridors, helping to set a strong and purposeful tone for the weeks ahead.

As we settle into the new term, and with the changeable weather we have experienced this week, we have noticed that some students are arriving at school without suitable clothing for colder or wetter conditions. We would therefore be grateful for your support in ensuring that your child brings a warm coat, and where possible, gloves and a scarf, so that they remain comfortable while travelling to and from school and during break and lunchtime periods. Please note that hoodies are not permitted as part of school attire.

From Monday 12th January, students will be expected to return to wearing their normal school shoes, as temperatures are forecast to rise from the sub-zero and icy conditions we have experienced this week.

The information below includes updates for the whole school as well as details relevant to specific year groups, which we hope you will find helpful.

Student Intervention Sessions

If your child usually attends a morning intervention session, we would like to let you know that these sessions will recommence from Monday 12 January. We look forward to welcoming students back to these sessions.

The Secretary role is both important and rewarding, designed to be flexible and manageable so you can support the PTA effectively without it placing an excessive demand on your time. This role would suit someone who enjoys being part of a team and has strong communication skills, attention to detail, and organisational abilities to help with meetings, maintain accurate records, and foster connections within the school community.

There are other potential roles that parents/carers can support with and if you are interested in supporting in any way please contact the PTA via chair@warlinghampta.co.uk
