

14th November 2025

Dear Parent/Carer,

Year 12 Tracking 1

You will shortly be receiving access to the tracking for Year 12 via the Arbor app. This will be found under the "Report Card" section under Student Profile. The report will consist of the following:

Attitude to learning

Grades for classwork, behaviour and home learning will be graded as before with E – Excellent, G – Good, R – Requires improvement and U – Unacceptable.

Behaviour points

This is the number of negative points students have accumulated so far this academic year. Points are accumulated for reasons such as behaviour issues, not completing homework etc.

Merit points

This is the number of positive points students have accumulated so far this academic year. Points are awarded for courage, commitment, kindness, leadership etc.

Attendance

This is a percentage score based on the number of days a student has attended school. Please note that the school target for attendance is 96%. Attendance below 90% is classed as being persistently absent. School attendance is crucial for several reasons. Firstly, attending school ensures that students have access to essential knowledge and educational opportunities, equipping them with the skills and information needed to succeed in life. Regular attendance also fosters a sense of discipline and responsibility, teaching students the importance of punctuality and commitment. Moreover, school attendance promotes social interaction, allowing students to build friendships, develop communication skills, and engage in collaborative learning experiences that prepare them for future interactions in the workforce and society. Therefore, attendance should be above 96% wherever possible.

Please note that progress information is not included in this set of data. This is due to there being too short a period to cover a significant amount of curriculum and formally assess student progress since the start of Year 12. This data will be included in the next set of tracking due at the beginning of February 2026.

A date for your diary: the Year 12 parents evening will take place in school on Thursday 9th June 2026.

Please feel free to contact me if you have any queries regarding this tracking.

Kindest regards

A handwritten signature in black ink, appearing to read 'M. Tucker', with a stylized flourish at the end.

Mr Tucker
Assistant Headteacher
