## The Warlingham Week

Dear Parents & Carers

### All Year Groups

This week, our students have continued to settle well into the new school year, adapting to new routines and rising to high expectations. During my walks around the school, I have been impressed by their commitment to learning—lessons have been focused, interactive, and calm. Our new Year 7 students are still finding their way around the site, but they are supporting one another and have embraced school life with courage and enthusiasm. I am also enjoying getting to know more of their names each day, with the aim of greeting even more of them personally each morning.

### Main school Open Event

We are delighted that hundreds of students have volunteered to support our upcoming Open Events over the next two weeks. If you have not yet provided consent for your child to take part as a department helper or tour guide, please do so by the end of today using the link below. These events are a wonderful opportunity to welcome prospective families and showcase what makes Warlingham special—with our students playing a central role in bringing this to life.

### MacMillan Coffee Morning Cake Sale

We are pleased to inform you that the Sixth Form Student Leadership Team will be holding a Macmillan Cake Sale on Thursday 25<sup>th</sup> September in the Main Hall. All proceeds will go to Macmillan Cancer Support, a charity that provides vital care and assistance to those affected by cancer. We would warmly welcome both homemade and shop-bought cake donations to help us raise as much as possible. Please can the donations be brought to the Main Reception on Wednesday and Thursday morning. We also kindly ask parents to provide students with a cash so they can purchase cakes and contribute to raising money for this truly amazing charity.

Thank you for your kindness and generosity.

## Communication

At Warlingham we have clear routes of communication, which are outlined in the table below. Following these, helps ensure your query reaches the right person as quickly as possible, contacting staff outside of these routes may cause delays as we work to ensure the message gets to the most appropriate member of the team. We aim to respond within 48 hours, but this should be seen as a guide rather than a guarantee. Due to teaching commitments, extra-curricular activities and meetings with parents and external agencies, replies may, sometimes take a little longer. Please be assured we always do our best to respond promptly and appreciate your patience and understanding with this.
