## The Warlingham Week

Dear Parents & Carers

This week I have also sent a separate voice message & transcript with other important news that I wanted to share with you in addition to this edition of the Warlingham Week which I hope you will find informative and can access [here](#).

### All year groups

It has been a glorious week in lots of ways including the weather, however as the weather returns to more typical temperatures next week, normal uniform rules will resume. All students should ensure they wear their blazers during lessons and around the school site. Thank you for your cooperation in maintaining our smart, unified appearance.

The PTA will also be holding a raffle in collaboration with the Student Leadership Team to raise funds for gym equipment and science books. The raffle is designed to raise funds that will directly benefit our children's education and extracurricular activities. To make this event a success, we are seeking donations of items such as gift vouchers, merchandise, or any item that you consider could serve as a raffle prize. Every donation, big or small, makes a meaningful difference. We kindly ask you to consider donating an item or voucher that we can raffle off to our school community.
