

14th February 2024

Dear Parent/Carer

I am writing to you to inform about the changes to our current PSHE curriculum.

As part of your child's education in Warlingham School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. We believe that PSHE is an important curriculum which prepares and equips our young people to lead safe, healthy and productive lives and meet their full potential. We teach this to every year group in form time, assemblies, workshops and speakers to ensure our students have a developed understanding of issues which may affect them later in life. All PSHE teaching takes place in a safe learning environment and is underpinned by our school mission and values.

Since September 2020, Government legislation states that ALL schools in the UK will be required to offer Sex and Relationship Education to all students as part of a fully comprehensive Personal, Social and Health Education curriculum. This will be a significant part of our PSHE programme. For more details about our curriculum I would like to highlight key documents for you to read:

- Our RSHE policy in the Policy section of the Warlingham School website ([download.asp](#)). Letter of withdrawal included in the appendix 2 of the RSE Policy if you wish your child to be withdrawn from certain Sex Education modules. Please be reminded that you cannot withdraw your child from the relationship components, as these are statutory government requirements.
- The curriculum mapping document (attached to this letter).
- The parent questionnaire for you to have your say and let us know your understanding of PSHE at Warlingham School.

Please follow the link here to the questionnaire here: <https://forms.office.com/e/QQ04TMXWbz>

So that we can review all questionnaires, analyse feedback and make any required changes, we would like all responses to be completed by **Friday 24th February 2025**.

As always, if you do have any questions about the changes or our PSHE & RSE curriculum, please feel free to email me on: C.Christie@warlinghamTLT.co.uk

Yours faithfully

Ms C Christie

Assistant Headteacher
