

12 February 2019

Dear Parents/Carers,

I am writing to let you know that I will be standing down from my position as Executive Head Teacher of Warlingham School and Chief Executive Officer of Tandridge Learning Trust with effect from 31<sup>st</sup> August 2019.

This has been a most difficult decision to make, but as you may be aware, I have experienced a number of health issues over the last few years and have concluded that I need to take time to recover properly and so will be taking early retirement.

I sincerely thank all the staff, students, parents and governors with whom I have had the pleasure to work over the last eighteen years since joining Warlingham School.

It has been a great honour to work with so many exceptional people who work so hard to serve the children and parents of our local community. The last six years as Head Teacher have been especially rewarding as there is no greater privilege than leading a school full of committed and professional people dedicated to ensuring the success of the talented young people who attend Warlingham School.

Seeing these young people flourish and progress into successful young adults ready to take the next stage in their lives is indeed the real privilege of headship.

The Chair of Governors of Warlingham School, Jacqueline Baker, will provide further communications over the next few days regarding the leadership of the School in the next academic year.

I wish everyone connected with Warlingham School, and with Tandridge Learning Trust, every success for the future.

Yours sincerely,

Nick Bradwell  
Executive Head Teacher
