

26th February 2025

Dear Parents and Carers,

Thank you for the time and effort you have invested in supporting your child through the Options process. We appreciate you watching the Options presentation, reading the Options booklet, attending the Options Fair, and discussing subject choices with your child. This is an important step in your child's education, and your support is valued.

The next step is to submit your child's preferred options. We have waited to release the form until now to ensure that families had enough time to research, reflect, and discuss choices thoroughly following the presentation, booklet, and Options Fair.

Please note that the process is not first come, first served - decisions will be based on careful consideration of all submissions - and we will strive to accommodate students' choices as far as possible.

Please use the electronic form available here: <https://forms.office.com/e/hJkvuYD4g9>

Important Information About the Form:

- Enter your child's **full name** and **tutor group** carefully. This helps us allocate the right options to the right student.
- Every student must choose **at least one EBacc subject** (History, Geography, French, or Spanish). They may select up to **three EBacc subjects** if they wish.
- Students have **two additional choices**. These can be other EBacc subjects or any of the other available options.
- Students must choose a **reserve subject**. While we do our best to give students their preferred choices, this is not always possible. Having a reserve choice helps us plan and provide the best possible timetable.

You can revisit the **Options presentation** and **Options booklet** at the following

Please remember that the **deadline to submit the form is Monday 17th March**. Submitting on time is essential to ensure your child's choices are considered.

In the event that we are not able to accommodate all of your child's options, we will arrange a meeting to discuss this with them and agree on next steps. **We will not provide an individual communication if all of your child's chosen options have been agreed.**

Thank you for your continued support.

Yours faithfully
